ABOUT ME

Completed 100+ hours of hands-on development working with modern web technologies including HTML, CSS, JavaScript, React, Node.js, Next.js and MongoDB. Built multiple personal and academic projects featuring responsive UI design, API integration, state management, authentication, and optimized database structures.

SKILLS

Technical Skill

- Language : C, C++, JavaScript(ES6), Python
- Front-End : HTML5, CSS3, JavaScript (ES6), React.js, Next.js, Tailwind CSS, Material UI, React Router, Axios Router, Axios
- Back-End : Node.js, Express.js, Django, JWT authentication
- Version Control : Git, Github
- Tools : VS Code, Netlify, Surge, Vercel
- Database : MongoDB (NoSQL), Firebase, basic SQL
- Comfortable With: Building responsive UI, RESTful API integration, state management, routing, component-based design

Interpersonal Skill

- Team Collaboration
- Time Management
- Problem Solving
- Flexibility in interaction and changes

PROJECTS

1. EquiSports(Sports Equipement Management)   **Live Link**   **Client Repo**   **Server Repo**

Overview : EquiSports is a responsive sports equipment management platform with user-friendly navigation, built for easy product listing and management.

Key Features

- Responsive web app with image carousels, CRUD product actions, and route-based navigation.
- Implemented modals, dynamic API data rendering, and a dashboard for profile and product management.

Tech Stack : React.js, Tailwind CSS, Node.js, Express.js, Firebase, MongoDB

---

2. DineFlow(Food Listing and Management Platform **)**   **Live Link**   **Client Repo**   **Server Repo**

Overview : DineFlow is a food listing and management platform designed to showcase food items in an interactive e-commerce environment.

Key Features

- Responsive e-commerce site with image carousel, product actions (edit/delete), and route- based navigation
- Implemented interactive UI elements, confirmation modals, and dynamic data rendering from API

Tech Stack : React.js, Tailwind CSS, Node.js, Express.js, Firebase, MongoDB

EDUCATION

Bachelor of Information and Communication Technology   **Feb 2019 - Present**

Mawlana Bhashani Science &Technology University

CERTIFICATION

Complete Web Development Course   **June 2024 - January 2025**

Programming Hero

LANGUAGES

Bengali (Native) || **English** (Professional Working Proficiency)
